

OUT OF HOURS EMERGENCY CONTACTS

If you need urgent assistance with a maintenance matter and it cannot wait until the next working day, we ask that you call one of the following contractors who have our authority to attend to the problem in the most appropriate manner.

Emergency repairs include:

- burst pipes
- severe leaks in roofs
- blocked drains and toilets (where you only have one toilet in your home)
- complete loss of power or lighting
- complete loss of heating (where no other means of heating is available)
- failure of locks or doors preventing entry or exit
- other problems that seriously threaten your home or your health
