The Property

66 Windsor Street is an appealing Victorian mid-terrace townhouse, believed to date from the 1870s, which has been well maintained over the years. Retaining a number of attractive period features, including picture rails, an attractive fireplace and good proportions, the property combines character and charm with a more contemporary style of presentation.

Arranged over two floors, the accommodation comprises an entrance hall with staircase rising to the first-floor landing, a separate dining room with useful under-stairs storage, a sitting room featuring an attractive fireplace and low-level storage cupboards, and a modern fitted kitchen with a range of units and integrated appliances. The kitchen is dual aspect and also provides direct access to the rear garden.

On the first floor, the landing benefits from a useful storage cupboard and provides access to two well-proportioned double bedrooms and a bathroom. The principal bedroom enjoys two windows to the front aspect and incorporates a useful walk-in wardrobe area, whilst the second bedroom is positioned to the rear. The bathroom is fitted with a panelled bath with shower over, wash basin with vanity storage, WC and further built-in storage.

Garden & Grounds

To the front of the property is a charming walled courtyard garden, providing an attractive approach and a degree of separation from the street.

The rear garden is enclosed and offers a pleasant space for outdoor dining, relaxation and entertaining. A paved terrace surrounds the kitchen extension, with a pathway leading through the garden, which is predominantly laid to lawn and complemented by a shrub and flower border. At the far end is a further patio area with a brick-edged raised border and garden shed, providing an additional seating area and further scope for landscaping to suit individual preferences.

Location & Amenities

Windsor Street is an attractive residential street, ideally positioned on the western side of Salisbury and within particularly convenient reach of the city centre and mainline railway station, both of which are accessible on foot. The location is well suited to those looking to enjoy the convenience of city living, with an excellent range of independent shops, cafés, restaurants and everyday amenities close at hand.

The historic cathedral city of Salisbury is renowned for its beautiful architecture, historic streets and impressive Cathedral, and offers a wealth of cultural, leisure and recreational facilities. These include the Salisbury Playhouse, Salisbury Museum and the twice-weekly charter market. For those who enjoy the outdoors, the nearby River Avon and surrounding water meadows provide attractive opportunities for walking and relaxation. Salisbury's mainline railway station offers regular services to London Waterloo, with a journey time of approximately 90 minutes.
